RE: Reconnaissance Level Characterization Report (RLCR) for Building 126 - Concurrence

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the RLCR for Building 126, Revision 0 dated September 16, 2003, received on October 8, 2003. Based on the information contained in this RLCR, we are concurring with the determination that Building 126 is a Type 1 Facility.

As discussed in an email on September 25, 2003, we previously agreed that B126 was a Type 1 Facility and demolition could proceed, with DOE's approval.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson  
RFCA Project Coordinator
